

HISTORY SLEUTHS

Colleen Davies of New Liskeard and her daughter Megan paused at the statue commemorating the Great Fire of 1922 to read a clue leading them to the next stop on a tour of Haileybury's historic sites. The three-kilometre tour drew 112 participants and ended with a chocolate tasting at the President's Suites. The Easter Sunday event raised \$695 for an environmental leadership camp that the Garb Angels – an anti-littering troupe of kids – plan to stage this summer. (Staff photo by Diane Johnston)
